

Dear QUAD Participant,

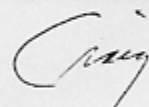

It's over now. The last walker has chugged across the line and the ninth year of the Saint Vincent QUAD Games is history.

I think about the other runs we've had over the last nine years. The first one in Dunn Valley, a few years in North East and the last six at Fairview. Some years of incredible heat. A few years of running through the grape vineyards (I tell you, I liked that course. But then, I never had to run it.) One year when the top three runners made the wrong turn and got back to the finish line a little too soon. One year when Nancy Herbst pushed her son Casey in a baby jogger and very nearly took an age group award. What could have topped Dennis Deitch's great run against Jim Samuels last year? Maybe only Chris Borgia's come-from-behind win this year to take the race and the overall title.

And that's the beauty of the QUAD. It stays fresh each year with great efforts from all of you. A record number, some 419 people attain a full year of great exercise and fun as QUAD Champions. Congratulations to each of you for your inspired effort and dedication. The true effort it takes is something I can only imagine, though soon I will know first hand.

QUAD X is just around the corner. My heart beats wildly.

Sincerely,

P.S. The Saint Vincent QUAD Awards Night is scheduled for 7 p.m., Friday, November 1st at the East Erie Turners.

Along with the various age group awards, we will once again present the Richard Abbott Award. If you know a person participating in the QUAD who has overcome injury or adversity, or shown unique determination to persevere in the Games, please send us a note explaining why you think this individual is worthy.

Address all mail to QUAD Games, 232 West 25th St., Erie, PA 16544
