

Dear PNC Bank QUAD Participant,

I had wanted for a long time to get the PNC Bank QUAD Games to become more a part of whatever community they were located in. The cross-country ski race because of the weather and the swim meet because of the facility weren't very good candidates but I thought the bike and the run would be great to embellish with some surrounding food and festivities.

The bike race achieved varying degrees of success during its stay in Albion and perhaps different civic groups will come forward as we settle into the new location in Edinboro. However, it will take some time to equal or surpass the success of the QUAD Run's move to North East and the celebration that is the North East Harvest Festival.

There is an ironic connection to the QUAD and the Harvest Festival. Last year, just a few weeks before the QUAD Run was held in North East for the first time, 1991 overall QUAD Champion Chris Borgia was named as the head of the North East Chamber of Commerce. Chris's athletic ability is apparently equaled by his organizational skills as the Harvest Festival, already a successful event, has taken even a further leap forward since Chris arrived on the scene. The many displays and activities, sights and sounds that go on in Gibson Park, the start of the QUAD Run, the beautiful course and the wind-up at the Mercyhurst Campus provide the kind of running challenge and community event I could have only dreamed of a few years ago.

QUAD thanks go to Chris, the people of North East and everyone involved with the many events that go on during the weekend.

In this odd QUAD year, the run usually wraps things up but one more event lies ahead as the QUAD Ski Race closes 1995 and kicks off the new 1996 season. In this booklet are dates of the 1996 QUAD Games and more information on the upcoming season will be mailed to you shortly.

Congratulation to all that have made it so far.

Sincerely,

1995 PNC BANK QUAD RUN RESULTS
